

Screen Shot of Issues

This screenshot shows the GitHub Issues page for the repository 'meghanagabhushan / AdvancedSE_LabAssignments'. The page has a navigation bar with links for 'Code', 'Issues' (3), 'Pull requests' (0), 'Boards', 'Burndown', 'Wiki', 'Pulse', 'Graphs', and 'Settings'. Below the navigation bar, there is a search bar with the text 'is:issue is:open' and buttons for 'Labels' and 'Milestones'. A green 'New Issue' button is located on the right. The main content area displays a list of three issues, each with a green circle icon and a title: 'Exception occurred', 'Slow internet connection - Server not responding', and 'Error : 404 - Page not found'. Each issue includes a description, a status (e.g., 'Should fix the code t...'), and a 'New Issues' button. At the bottom of the page, there is a footer with copyright information and links to 'Contact GitHub', 'API', 'Training', 'Shop', 'Blog', and 'About'.

Screen Shot of Milestones

This screenshot shows the GitHub Milestones page for the repository 'meghanagabhushan / AdvancedSE_LabAssignments'. The page has a navigation bar with links for 'Code', 'Issues' (3), 'Pull requests' (0), 'Boards', 'Burndown', 'Wiki', 'Pulse', 'Graphs', and 'Settings'. Below the navigation bar, there is a search bar with the text 'is:issue is:open' and buttons for 'Labels' and 'Milestones'. A green 'New milestone' button is located on the right. The main content area displays a list of three milestones, each with a title, a progress bar, and a description: 'Should fix the code to remove the exception', 'Should change the internet connection', and 'should try and fix the issue'. Each milestone includes a status (e.g., '0% complete'), a '1 open' status, and a '0 closed' status. At the bottom of the page, there is a footer with copyright information and links to 'Contact GitHub', 'API', 'Training', 'Shop', 'Blog', and 'About'.
